Twyford School

# NURSERY

## It's the little things that start your biggest journey

Twyford School offers outstanding opportunities for boys and girls aged 2- 13 years.

Twyford's Nursery Classes, Little Acorns and Oak, are incorporated into the Pre-Prep Department with its own gardens, hall, woodlands, pet's corner, cookery room, library and amazing playground, all set within the extensive grounds of Twyford School.

Our Nursery offers children an exceptional start to their education in small pre-school classes with a wonderful highly qualified staff team in a warm and stimulating environment.
Nursery hours are flexible with core morning sessions from 8.45 am – 11.45 am, full flexible wrap around care from 7.30 am – 6.15 pm and all meals provided.

There's always lots to do with a fun packed curriculum including swimming, dance, art, gym, ballet, cooking, numeracy, literacy, French, music, woodland activities, fun play and learning. The children love being together and while it's always an action-packed day, there's still time for a little snooze to recharge those batteries. The children have full use of all the grounds and facilities from ballet lessons in the Mulberry Pavilion, PE in the Sports Hall and lunch in the Dining room. Trips and visits during the year add to the excitement of the day whether it's to the Zoo, the Theatre, the local woods or the beach.

Having learnt all about school life, at the end of their Nursery time, the children move seamlessly on to our Reception Class to continue their learning journey.

## Now from 2 years

Twyford School is delighted to announce that as of September 2020 we are offering a Nursery class, Little Acorns, for 2-3 year olds alongside our current Pre-School class for 3-4 year olds. From September, children are welcome to join Little Acorns the term after their second birthday.

## Early Years funding

We will also be offering Early Years (EY) funding from the term after a child turns three. Parents will be eligible to use up to 15 hours free of Early Years (EY) funding during the afternoon sessions, term time only, if your child attends Nursery for morning and lunch the same day. If the full 15 free hours are not used at Twyford School during the term, then parents can use the additional EY funding hours at other establishments. Please note that EY funding ceases when a pupil moves up to Reception.

For full details of sessions and timings please see the Nursery page on our website: www.twyfordschool.com or contact Emma Vincent, our Registrar by email: registrar@twyfordschool.com or telephone 01962 712269
